

2019 Lake Minnetonka Volunteer Recognition

Outstanding Troop Committee Member -- Dominic Louwagie

This dauntless Scouter has served as Chair of his Troop Committee for several years. During his tenure he's guided the Unit toward a stronger high adventure program and more recently, placed an increased emphasis on STEM activities.

It's no exaggeration to say that without this Scouter's fortitude, there would be no linked all-girl Troop. Through a long and sometimes difficult process, including some initial opposition by some, and less than enthusiastic acceptance by others, the Committee and sponsoring organization eventually approved the addition of the all-girl Troop.

Now that the girl Troop is a reality, he serves as the founding Committee Chair for that Unit, and has remained a tireless advocate for the Scouts, ensuring that trained two-deep leadership is available for both Troops, seeing that their web presence is inclusive, and seeing the needs of both Troops, and the needs of the District, are handled equally well. His focused dedication and thoughtful navigation have seen that all parties are at peace and even enthusiastic about the new arrangement, and the long process is now behind them.

For his careful guidance and unwavering support, Chanhassen Troops 330 and the Lake Minnetonka District proudly recognize Dominic Louwagie as an Outstanding Troop Committee Member.
