

## 2019 Lake Minnetonka Volunteer Recognition

### **Outstanding Pack Committee Member -- Jonathan "JJ" Nowlin**

For the past three years, this heroic Scouter has humbly served as Pinewood Derby Chair for his Cub Scout Pack. This very quiet and down-to-earth individual takes you by surprise with his powerful ability to not only run a fabulous Pinewood Derby event for his own Pack, but for the Lake Minnetonka District as well!

Chairing the largest event of a Pack's year is a weighty responsibility for anyone to bear, yet this champion handles the role with confidence and an air of calm resolve. His fellow Scouters have never seen him overwhelmed with matters -- or at least he has never shown it. He can calmly make decisions, and make those around him feel life is so simple.

He is a fantastic leader and excellent support to a wonderful team. His experience makes his advice invaluable, and his fellow Scouters feel very fortunate to have him, and greatly appreciate his continuing contributions.

The Lake Minnetonka District and Wayzata Pack 283 thank Jonathan "JJ" Nowlin, and are pleased to recognize him as an Outstanding Pack Committee Member.
