

## 2019 Lake Minnetonka Volunteer Recognition

### Outstanding Assistant Scoutmaster -- Mark Ferry

This Scouter has served his Troop as its valiant Assistant Scoutmaster for Junior Leadership Training for several years now, as well as serving as the adult liaison for the Tenth Grade Scout Patrol. A teacher at Wayzata High School by day, he knows well how to write a lesson plan that will connect with the Scouts.

One example of his training creativity was a recent winter Leadership Weekend this past December at Rum River Scout Camp, which was attended by over half the Troop. On Saturday night, the group screened the movie "The Avengers," which the Scouts later found out formed the basis of their training that weekend, complete with some thoughtful group discussions and other activities.

The Lake Minnetonka District is pleased to recognize the great asset the Scouts of Wayzata Troop 283 have in Mark Ferry, truly an Outstanding Assistant Scoutmaster.
