

# 2019 Lake Minnetonka Volunteer Recognition

## **Glowing Ember Award Michael Otto Pack 3206 - Long Lake**

Michael Otto is our Pack 206 Glowing Ember who is a true example of a dedicated Scouter. He is our Webelos I Den Leader, Pack Popcorn Kernel, Pack Trainer, Pack Grubmaster, and one of our key go to people in our pack. Michael is an Eagle Scout who sets an excellent example as he leads his 12 Webelos I's and mentors other leaders. As our Popcorn Kernel for the second year, he continued with super sales success, selling over \$22K on top of last year's \$31.5K worth of popcorn. His organizational skills have streamlined our pack processes. In addition to managing inventory, popcorn rewards for 70 Scouts, and organizing popcorn kits for over 200 shifts of storefront sales at 10 different businesses, he assisted his son in individual popcorn sales to sell \$2,600 in 2018 and \$2,149 in 2017. He has volunteered his culinary and organizational skills for the third year for our Pack Winter Campout, during which this year included our Blue & Gold Dinner. If we want to get some sound advice on a topic, we ask for Michael's opinion. If we need an extra hand with something, we can count on Michael. These are examples of why Michael Otto is our Pack 206 Glowing Ember.
