

2019 Lake Minnetonka Volunteer Recognition

Glowing Ember Award
Neal Kurth Troop 3174 – Chaska

Neal Kurth is one of the leaders that keep our troop going with his enthusiastic willingness to sign up for any and all adult volunteer needs of the troop. Neal is an assistant scoutmaster and has served as Pancake Breakfast Chair, Christmas Tree Lot Coordinator, led scouts on a high adventure fishing trip to Canada, and has chaperoned many campouts and Camporee outings. He is so enthusiastic that he even signed his wife up as a female leader for the Winter Camporee without asking first! :-)

Neal Kurth exemplifies the spirit of the Glowing Ember award.
