

# 2019 Lake Minnetonka Volunteer Recognition

## **Glowing Ember Award Ryan Chester Pack 3192 - LDS Minneapolis**

Ryan has served as our Webelos leader and my de facto assistant Cubmaster for more than four years. Ryan is selfless and consistent in his service to our pack and to dozens of boys that have passed through his Webelos den. He is always prepared with interesting hands on activities for our most demanding boys. Ryan has been very thorough in working the boys, their parents, and other leaders in trying to help as many boys as possible to earn their Webelos rank and their Arrow of Light, especially during the challenging program changes we've traversed over the last few years. Ryan is a great leader and example and very deserving of the Glowing Ember Award.
