

# 2019 Lake Minnetonka Volunteer Recognition

**Glowing Ember Award**  
**Sara Baluski Pack 3209 – Watertown**

Sara has been an irreplaceable pack member ever since she came to us. Without hesitation she jumped into a den leader role and has taken every opportunity to support not only her den but the pack as a whole. She has volunteered to lead many committees providing as many opportunities as possible for the Cub Scouts to get out there and do things; oftentimes bringing firsts for our pack.
