

2019 Lake Minnetonka Volunteer Recognition

Glowing Ember Award
Swati Karande Pack 3477 – Plymouth

Swati joined us just over a year ago as an enthusiastic parent who wanted her son to get the most out of his Cub Scout experience. As time went on, Swati became more involved as she saw how much her son enjoyed Cub Scouts, and wants her daughter to join in the fall as a Lion. She has helped on many events throughout the year as part of our pack committee and is always willing to help no matter what the task was. Her whole family comes to most events and are always ready to help out; we are honored to have her enthusiasm as part of the pack 477 team. This upcoming school year Swati will be our Lion Leader.
