

2019 Lake Minnetonka Volunteer Recognition

Outstanding Scout family -- The Otto Family

This super Scouting family epitomizes the Scout Oath and Law, and they are exceptional members of their Pack. Dad is an Eagle Scout who sets a fine example as he leads their combined Webelos Den and also serves as Pack Trainer. Mom is the Pack's skillful Treasurer who has succeeded in streamlining their financial procedures and is a consistent help with the Unit's Friends of Scouting campaign. Their son is an enthusiastic Webelos Scout.

For several months every year, their home transforms into Popcorn Central, with dad serving as Popcorn Kernel and mom contributing her business skills to the effort. In the two years since they took over, their Pack has amassed popcorn sales in excess of \$53,000. Leaders, parents and Scouts visit their home several times each day as inventories are prepared, signed out and restocked for Scout sales.

Lake Minnetonka District is pleased to recognize Michael, Jolly and Jayden Otto as an Outstanding Scout Family hailing from Long Lake Pack 206.
