

2019 Lake Minnetonka Volunteer Recognition

Glowing Ember Award Todd Wenck Troop 3537 – Medina

For the past 4 years, Todd Wenck has been the Committee Chairman for our troop. While he was coerced into taking the role, he has embraced it - or at least most of it - for the betterment of the boys, the other adults, and the troop itself. He actually enjoys being the point man for Friends of Scouting - imagine that! He did not come with a lot of involvement in Cub Scouts - in fact, his 3rd son joined the troop when his youngest did also - and his 3rd son was entering 9th grade - and made Eagle a few days before turning 18. Todd has jumped in to Scouting - helping out with merit badges (he's all about safety!), coming along to summer camp, where he makes a mean deviled egg and enjoys kayaking. And last year, he headed up our crew that went to Sea Base, where he had so much fun he is debating going AGAIN in 2020. And he also helps store our trailers. Todd has been a shining light for us - or rather, our Glowing Ember, and we would like to recognize him on behalf of Troop 537.
