WOOD SCULPTURE BY CURTIS INGULDSTAD

Curtis Inguldstad is an artist with a chainsaw. He has a BA in Studio Arts from the University of MN. He picked up the chainsaw 13 years ago after many years of oil painting and hand carving. He's a natural talent for sculpting and a rich ancestry of woodworking. He has competed with the best of the best internationally and gained great respect for his realism, attention to detail and a very complex painting style. He likes to travel with his to Japan's biggest competition in the small mountain town of Toei. Aside from carving he likes to go camping, hiking and fishing with his wife and three-year-old son.

We will continue with our popular **carnival atmosphere** where you can take advantage of preplanned activities, or create your own program and have some downtime.

This is a **lumber jack themed event**, so dress and cook appropriately.

In other words, lots of plaid, stocking caps, boots, lots of hearty stews (**All Troops will be given sweet potato's to add in their dish**) and yummy dessert to be cooked in the Dutch oven is expected and appreciated.

Indoor (limited #) and Outdoor Camping available!

Invite your Webelos!

Many thanks to our Host **Troops 3426, 3430, 3174, 5174 and Activities Committee** for working on this Camporee.
